 - h) The Owner reserves the right to consider each of the factors, and to assign different weights to each of the factors based on the information received by it from each and every SUPPLIER, from its own staff, and from outside sources, as these factors may impact on the benefit the Owner receives from this contract.

Joint or consortium TENDERS must have one prime SUPPLIER who will be responsible for overall project success, provide one point of contact and a single billing point. The MUNICIPALITY shall not be responsible for payment to the SUPPLIER'S partners, SUB-CONTRACTOR or suppliers in the event the prime SUPPLIER defaults on its responsibilities.
